

Introduction

The purpose of this directory is to provide a listing of agencies in Pennsylvania and, to some extent nationally, that serve the needs of prison inmates, victims of crimes and their families, criminal justice professionals, volunteers and support persons. This directory is also intended to promote networking among the various individual agencies working within the criminal justice system.

The compilation, publication and distribution of this directory are the cumulative efforts throughout the past 18 years of professionals, volunteers, inmates and concerned citizens.

Special recognition goes to Mr. Angus Love, Esquire, of the Pennsylvania Institutional Law Project and Ms. Marie Hamilton, founder of CentrePeace, Inc., for their leadership, support and commitment to this directory. Both of these individuals have dedicated their lives to making a difference in the criminal justice system and the lives it affects.

Thanks are also extended to the Pennsylvania Department of Corrections for their cooperation in distributing the directory to correctional institutions throughout the Commonwealth.

Special thanks also go to CentrePeace's staff and volunteers for the hours of assistance they provided in making this directory possible. Thanks to Ms. Tonya Young, CentrePeace's office manager, for compiling, editing and coordinating the update of this directory. This publication has truly been a collaborative effort.

Every attempt has been made to provide accurate, up-to-date information. Inevitably, errors will be found. CentrePeace would appreciate being notified at the address listed below of any corrections, additions or deletions.

Additionally, the names and addresses of new organizations to be listed in the 2010-2012 CJA&S Directory would be greatly appreciated and may be sent to:
